2009 CABERNET SAUVIGNON MT. VEEDER

Napa Valley weather in 2009 featured near-ideal steady, mild temps from start to finish, except for some heavy rains at the end of the season which came earlier than expected. In Napa, vintages like this tend to produce structured wines, with elegant fruit and deep complexity. However, as the big rains approached we had to make a tough decision. Pick the fruit now or roll the dice and wait through the storms.

We opted to pick our Cabernet blocks before the rain, and we are glad we did because the fruit we brought in was just beautiful. Our yield was relatively light though, resulting in very limited supply for this vintage.

PROPRIETOR'S NOTES: The '09 Cab is made in the the classically elegant style of Napa Valley's cooler vintages, which tend to produce ageworthy wines of increased structure and complexity. Accordingly we "dropped" a lot of fruit in the 2009 growing season to compensate for the consistently cool weather.

The result is a deliciously perfumed wine with graceful, bright fruit and a long, lingering finish. Aromatics of violets, baking spice, caramel, raspberry and cherry are balanced with fresh, dark plum, raspberry and cocoa flavors. The youthful tannins will soften with time, and they add a classic style to the wine that makes it an ideal companion to rich, meaty dishes or hearty pastas. The wine is 100% unfinned and unfiltered to highlight its authentic character. Accordingly the natural sediment up near the cork is a distinctive feature of the wine which may either be decanted or poured off prior to serving.
